

# Seminar on “The Periodic table: An Enduring Masterpiece”

Date: 28-08-2019

Participants: 47

Dr. Pruthul R Desai, Department of Physics, Sir P. T. Sarvajani College of Science, Surat

## Seminar on “The Periodic table: An Enduring Masterpiece”

Date: 28-08-2019

Participants: 47

Dr. Pruthul R Desai, Department of Physics, Sir P. T. Sarvajanik College of Science, Surat

### Brief Report:

The year 2019 was declared as “The International Year of Periodic Table” by the UN general assembly. To celebrate it, Dr. Pruthul Desai gave a presentation on the periodic table. In his talk, he briefed the early periodic tables of some scientists and the shortcomings of those tables. He also highlighted the life and work of Mendeleev – the inventor of the modern periodic table.
