

Webinar on “Glimpses of Chemistry: Design and Function of Biomolecules”

Date: 04-05-2020

Participants: 75

Resource Person: Prof. Kishor. H. Chikhalia, Department of Chemistry, VNSGU, Surat

Sarvajanic Education Society
Sir P. T. Sarvajanic College of Science, Surat

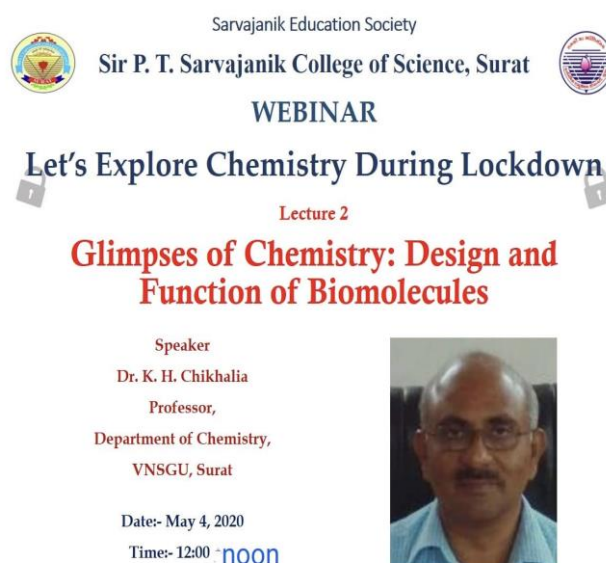

WEBINAR

Let's Explore Chemistry During Lockdown

SPEAKERS

- 2 May, 2020: Prof. K. K. Desai, Retired Professor, Department of Chemistry, VNSGU, Surat. Time: 4:00 pm
- 4 May, 2020: Prof. K. H. Chikhalia, Department of Chemistry, VNSGU, Surat. Time: 12:00 pm
- 6 May, 2020: Dr. Rahul B. Tailor, Department of Chemistry, JNM Patel Science College, Surat. Time: 12:00 pm
- 8 May, 2020: Dr. Mehul R. Khimani, Department of Chemistry, P. P. Savani University, Kosamba, Surat. Time: 12:00 pm
- 10 May, 2020: Prof. Mohan N. Patel, Department of Chemistry, S.P. University, Vallabh Vidyanagar. Time: 5:00 pm

Organized by: Department of Chemistry

Sarvajanic Education Society
Sir P. T. Sarvajanic College of Science, Surat

WEBINAR

Let's Explore Chemistry During Lockdown

Lecture 2

Glimpses of Chemistry: Design and Function of Biomolecules

Speaker
Dr. K. H. Chikhalia
Professor,
Department of Chemistry,
VNSGU, Surat

Date:- May 4, 2020
Time:- 12:00 noon

Brief Report:

The Webinar serves the purpose to understand the Design and Functioning of Biomolecules by Prof. Dr. K. H Chikhalia. He started the webinar with HIV Life Cycle and Targets. He taught how DNA is formed and the different processes related to it. Then he explained the uses, effects and structure of different vitamins. The talk was followed by an interactive session with the students and the faculty members.
