Brief Report:

Dr. Dharmadhikari gave a brief overview of the entire NAAC accreditation process starting from filling of AQAR to the visit of peer review team. In his talk, he also gave examples of various activities which could be carried out by the college to gain the good score in the NAAC accreditation process. The entire presentation nearly lasted for two hours with Dr. Dharmadhikari elaborating on nuances of finer points of all the seven criterion in NAAC accreditation process. In the end, there was an interaction between the speaker and the audience.
