

Date : 25-04-2024

Sir P. T. Sarvajani College of Science, Surat
(Autonomous)

NSIC-Technical Services Centre, Rajkot, State Nodal Office RUSA and KCG, Education Department, Government of Gujarat have jointly launched vocational courses under NVEQF (National Vocational Education Qualification Framework).

The NSIC-Rajkot will be providing study material, training sessions and certificate on successful completion of course. The NSIC-Rajkot will carry out the exams and assessments.

Each course will be offered in minimum batch size of 20 students and maximum of 30 students per batch. The courses will be offered to students who have cleared/running their under graduation and graduate programs.

The courses will start in our college campus probably in 1st Week of July 2024. The interested students should submit their details in the google form link given below by 30 April 2024.

<https://docs.google.com/forms/d/e/1FAIpQLSeVuRHO9jc97NrfQ6IHk5gBstHLqy8o2jnrr8D6PKY75qQogg/viewform>
