## “PowerPoint presentation competition”

Date: 28-08-2023

Participants: 07

Total 07 students are registered for the event and all seven students were present for the power point presentation competition.

There are two interesting topic were taken for PowerPoint presentation competition i.e.

- 1) Chemistry in everyday life and
- 2) Chemistry in society: Blessing or curse.

Each participants has 10 minute time limit to complete the PowerPoint presentation. The competition was started at 2:30 pm

All seven students are prepared very informative and diverse presentation according to their respective topics. The judges discussed various questions and answers and as result the session becomes more informative and there is a good conversion between participants and judges. The judges also discussed various suggestion to improve their presentation and content developing skills. At the end, two winners (1<sup>st</sup> and 2<sup>nd</sup> prize) were announced by the judges with a note of encouragement and motivation for the students.

At the end of competition, the vote of thanks is given by Dr. Mimansha Mali, Department of Chemistry, PTSCS.
